

TO WHOM IT MAY CONCERN

I have known Mr. Forsan Abdulkareem Ali Ali Al-Nemah for four years during the period of his Bachelor Program in the department of Electrical Engineering (Computer and Informatics Engineering Division) at Ibb University, Republic of Yemen.

I taught him many courses and some of them: Data structure and Algorithm, operating system, Computer Network, Database Management System and Program language C++.

Mr. Forsan was an enthusiastic, energetic, and exceptionally well-organized student. He is one of the most interested in the field of development and programming of android operating system

I highly recommend Mr. Forsan for postgraduate studies in his interested field. I wish him all the best.

Please feel free to contact me for more information
